

The Stone House

The Stone House at Quinta da Fajã is the newest of the four cottages; downstairs it has a sitting room, a bedroom with one bed, a separate fully equipped kitchen and a downstairs cloakroom. Upstairs there are two bedrooms; one is a double the other a twin bed room sharing a large shower room. There is a large covered terrace outside with wonderful views and a secluded eating area. There is a small swimming pool which operates from April until November.

Price: 1000 euro per week.

This includes electricity, water, linen and wood, cleaning and change of linen once a week. Minimal rental period is one week. 30% higher price during Christmas and New Year. Dec 20 – Jan 5. But, special prices possible for extended stays.
